ORDER OF THE BOARD (by Mr. Dumelle):

On December 5, 1978 Petitioner requested a variance from Rule 204(c)(1)(A) of the Board's Air Pollution Control Regulations. The Petition requests relief for five years or until the Board takes final action in R77-15; whichever occurs first. The Petition fails to state how this request conforms with the mandate of Section 113(d) of the Clean Air Act. That section prohibits the states from granting variances beyond July 1, 1979; and a recent amendment to Section 35 of the Environmental Protection Act states that variances must be consistent with the Clean Air Act. Consequently this matter is hereby dismissed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution
Control Board, hereby certify the above Order was adopted on
the 14 day of day of , 1978 by a vote
