DISSENTING OPINION (by W.A. Marovitz):

I respectfully dissent from the Board's opinion and order issued today. I disagree with the assessed penalty.

I believe that the \$3,000 penalty will not serve to deter further violations of the Act by respondent. Respondent made no attempts to comply with the Act after this complaint was filed. Respondent also showed a total disregard for the residents of the surrounding community. I believe a higher penalty against respondent is appropriate.

For these reasons, I respectfully dissent.

William A. Marovitz
Board Member

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the above dissenting opinion was submitted on December 19, 2002.
