On February 2, 1977 Petitioner requested a variance from Rule 962 of Chapter 3: Water Pollution of the Board's Rules and Regulations. The variance petition was later amended and a hearing was held on June 9, 1977.

The Petition for Variance is hereby granted subject to the following conditions:

- 1) Petitioner shall not allow any further connections to its eight inch sewer line unless and until the sewage treatment plant is expanded and the sewer ban lifted.

- 2) Within 35 days of the date of this Order, the Petitioner shall submit to the Manager, Variance Section, Division of Water Pollution Control, Illinois Environmental Protection Agency, 2200 Churchill Road, Springfield, Illinois 62706, an executed Certification of Acceptance and Agreement to be bound to the terms and conditions of this variance. The form of said certification shall be as follows:
