

Aire's from providing any phosphorus removal. Thus an arbitrary and unreasonable hardship has been shown here. The Board has repeatedly granted variances from Rules 203(c) and 402 for small sewage treatment plants. Village of Argenta and Village of Cerro Gordo, PCB 75-182, PCB 75-183, 18 PCB 152; Village of Stewardson, PCB 77-104; Village of Kansas, PCB 77-109; Village of Herrick, PCB 77-110.

The environmental impact of granting this variance is slight, as Country Aire contributes only 0.18% of the total phosphorus load in Rend Lake. Since granting this variance would open the way to Agency approval of a lagoon exemption the Board finds that the benefits to be gained from the grant of this variance outweighs any harm to the environment.

The Board hereby grants Country Aire a variance from Rules 203(c) and 402 of Chapter 3: Water Pollution, until June 1, 1982 subject to the following conditions. First, this variance shall terminate upon the adoption by the Board of any modification of the existing phosphorus water quality standards and effluent limitations. Further, when designing storage for chemicals as part of its upgrading program, Country Aire is to provide space for mixing and dosing equipment capable of phosphorus removal.

This Opinion constitutes the findings of fact and conclusions of law of the Board.

ORDER

Country Aire Mobile Home Park is granted a variance for its sewage treatment facilities from Rule 203(c) and Rule 402 (as to phosphorus) of Chapter 3: Water Pollution until June 1, 1982, subject to the following conditions:

1. This variance will terminate upon adoption by the Board of any modification of the existing phosphorus water quality standards and effluent limitations and Country Aire shall comply with such revised regulations when adopted by the Board.
2. When designing storage for chemicals as part of its upgrading program, Country Aire shall provide space for mixing and dosing equipment capable of meeting phosphorus water quality standards and effluent limitations which may be established by the Board.
3. Petitioner shall execute and forward to the Environmental Protection Agency, Enforcement Programs, 2200 Churchill Road Springfield, Illinois 62706 and to the Pollution Control Board within 28 days after the date of this Order a Certificate of Acceptance and Agreement to be bound to all the terms and conditions of this variance, the form of said Certificate to be as follows:

CERTIFICATION

I, (We), _____ having read the Order of the Pollution Control Board in PCB 77-126, understand and accept said Order, realizing that such acceptance renders all terms and conditions thereto binding and enforceable.

SIGNED _____

TITLE _____

DATE _____

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Opinion and Order were adopted on the 4th day of August, 1977 by a vote of 50.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
