ORDER OF THE BOARD (by Mr. Dumelle):

On December 15, 1977 Petitioner requested a variance from two Agency Orders. The petition is inadequate in several respects. First, it does not state which of the Board's rules are causing an arbitrary or unreasonable hardship. Second, it does not assess the environmental impact of the requested relief as required by Procedural Rule 401(a)(7). Third, it does not specifically request or waive a hearing as required by Procedural Rule 401(b). Finally, it does not contain a concise factual statement of the reasons Petitioner will suffer hardship as required by Rule 401(c). Consequently this matter is hereby dismissed without prejudice.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 20<sup>th</sup> day of December, 1977 by a vote of 5-0.
