ORDER OF THE BOARD (by Mr. Goodman):

On February 28, 1977, Petitioner filed a Petition to Modify and Extend Variance with the caption PCB 76-218. The Board hereby construes this petition as a motion for modification of the Board's February 17, 1977, Opinion and Order herein.

In its motion, Petitioner requests that the Board modify the variance so that it extends until May 1, 1977, rather than until March 1, 1977, as was indicated in the Board's Order. The Board finds that such a modification is warranted by the record herein and hereby grants the requested date change.

Petitioner also requests that the Board grant it a variance from Rule 408(a) of the Water Regulations. Because such a request is beyond the scope of the original variance petition, it is denied without prejudice.

IT IS SO ORDERED.

Mr. Young abstains.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 3rd day of March, 1977 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
