ORDER OF THE BOARD (by Mr. Goodman):

It is the Order of the Pollution Control Board that K.M. Round Lake Beach Development Company be granted variance from Rules 203(c) and 962 of Chapter 3: Illinois Water Pollution Regulations to allow the construction and operation of a tertiary treatment package plant with aeration and holding capability at their location in Village of Round Lake Beach until June 1, 1980 or until the Round Lake Sanitary District is capable of handling the effluent without danger of surcharge, whichever event first occurs, under the following conditions:

- (1) The package sanitary treatment plant to be installed shall comply with the description in paragraph (12) of the Amended Petition for Variance filed before the Board on July 19, 1977 except that a holding equal to two days waste water be installed.
- (2) Discharge from the facility shall be limited to 3,000 gallons per day until the completion of the Jewel/Osco facility, after which the discharge shall be limited to 8500 gallons per day.
