ORDER OF THE BOARD (by Dr. Satchell):

In a motion filed December 1, 1976 the Henderson County Board has requested the time allowed for the closing of Ronald E. Carlson's solid waste management site be extended because of the County's urgent need. Mr. Carlson's waste management site as investigated by the Agency and presented at the hearing is clearly not suitable for such an operation. Henderson County is not a proper party before the Board; however, because of the need for this site the Pollution Control Board will allow a sixty (60) day extension of the time allowed to close the present Carlson site.

IT IS SO ORDERED.

Mr. James Young dissented.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 16<sup>th</sup> day of December, 1976 by a vote of 4-1.
