INTERIM ORDER OF THE BOARD (by Mr. Zeitlin):

On November 16, 1976, Petitioner Del Monte Corporation filed a Motion for Protective Order, asking that its entire permit application be deemed confidential, and not subject to disclosure. On December 2, 1976, the Board entered an Order finding that application inadequate under Procedural Rule 107, and allowing amendment of Petitioner's application for non-disclosure.

On December 15, 1976, Petitioner filed an amended application for non-disclosure, requesting action on that application prior to a January 4, 1977 hearing. Inasmuch as the Board has not had sufficient time to review that application, and inasmuch as Petitioner has filed a 42-day waiver of the statutory 90-day decision period, we shall on our own Motion order that the January 4, 1977 hearing be continued by the Hearing Officer to a date subsequent to the Board's January 6, 1977 meeting, at which time the amended application for non-disclosure shall be considered.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 16th day of December, 1976, by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
