INTERIM ORDER OF THE BOARD (by Mr. Zeitlin):

This matter is now before the Board on a Motion for Extension of Time filed by Respondent North Shore Sanitary District on March 25, 1976, and an Objection to that Motion filed by Complainant City of Highland Park on March 29, 1976. Both pleadings concern required filings of reports under paragraph 5 of the Board's Order in this case, entered November 6, 1975. A previous extension of time for such filing was granted to the City of Highland Park in an Interim Order entered February 26, 1976.

As is pointed out in Complainant City of Highland Park's Objection to the instant Motion, the issue of monitoring for odors is quite important. For that reason, we shall grant the requested extension through May 1, 1976, for filing of the reports required under paragraph 5 of the November 6, 1975 Order. Complainant City of Highland Park, which has already filed its report, may amend or supplement its report during that period.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 8th day of April, 1976, by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
