INTERIM ORDER OF THE BOARD (by Mr. Zeitlin):

The Petition for Variance in this matter was filed on January 3, 1977, with a minor Amendment thereto subsequently filed on January 6, 1977. The Petition, as amended, is deficient in the following respects:

- 1) The Petition fails to indicate those specific Regulations from which Variance is sought;
- 2) The precise or approximated amounts by which discharge limitations will be exceeded is not shown, (one day's historical data in Exhibit I being insufficient);
- 3) The period for which Variance is sought, with regard to both Regulations affected by a proposed set of interim control measures and those covered by Petitioner's "Phase I" final compliance study, is not shown;
- 4) The expected results of Petitioner's proposed interim measures are not shown.
- 5) The Petition fails to detail the effects (if any) on the environment of continued operations under the Variance.

For guidance, Petitioner is referred to Rule 401 of the Board's Procedural Rules.

It is the Order of the Board that Petitioner shall amend its Petition within 45 days of this Order to provide the above information and achieve compliance with Procedural Rule 401. Failure to timely file the Amended Petition shall cause the Petition to be dismissed without prejudice for inadequacy. The 90-day period for decision set by Statute shall run from the date of filing the Amended Petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the day of \_\_\_\_\_\_, 1977, by a vote of \_\_\_\_\_.
