ORDER OF THE BOARD (by Mr. Young):

Respondent Consolidated Freightways filed a Motion to Reopen Discovery with this Board on December 20, 1976, which in substance is a Motion for Reconsideration of our Order entered on December 2, 1976. In so far as this Motion concerns Michigan Chemical Corporation, the Motion is denied. However, since the names of the State's witnesses were not provided to Consolidated until the same date on which the Hearing Officer entered an Order halting further discovery, the Board finds that Consolidated would be unfairly prejudiced if not allowed to engage in further discovery in regards to these witnesses, and the Board will allow an additional 21 days for this purpose.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 20th day of January, 1977 by a vote of 5-0.
