INTERIM ORDER OF THE BOARD (by Mr. Zeitlin):

The instant proceeding was filed on January 26, 1977, by the City of Rochelle, apparently as a Permit Appeal. It is not clear, however, exactly how the Board is to grant the requested relief, or exactly what decision by the Environmental Protection Agency is being appealed.

The Board must be furnished with a copy of the Agency's "permit modification denial," which is apparently the subject of Rochelle's Petition. The Board must also be furnished with all information required by Part V of the Procedural Rules with regard to Permit Appeal Petitions. Without such information, the Petition is inadequate.

It is the Order of the Board that Petitioner amend its Petition within forty-five (45) days of the date of this Order to provide the required information. Failure to timely file the Amended Petition will result in dismissal of the Petition for inadequacy, without prejudice. The 90-day decision period set by statute shall run from the date of filing of the Amended Petition.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 3RD day of February, 1977, by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
