ORDER OF THE BOARD (by Mr. Goodman):

This matter comes before the Pollution Control Board (Board) upon Respondent's November 21, 1975, Motion to Vacate the Board Order, herein, of October 16, 1975 and allow Respondent to file its Closing Arguments. On September 18, 1975, the Board entered its Opinion and Order in this cause. The Board stayed enforcement pursuant to Respondent's motion on September 29, 1975. At that time the record was opened to allow Respondent to file its Closing Argument. Although the Board in its September 29 order granted the Respondent eight days in which to file its Argument, the Record remained open until October 16, 1975. At that time Respondent had still failed to file its Closing Argument. Over one month later, Respondent once again seeks to open the record. The Board feels that it has provided ample opportunity of Respondent to file its Closing Argument and therefore it is the Order of the Board that Respondent's Motion to Vacate be and is, hereby, denied.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 4<sup>th</sup> day of December, 1975 by a vote of 4-0.
