ORDER OF THE BOARD (by Mr. Dumelle):

The Pollution Control Board hereby grants Petitioners a variance from Rule 203(h) of Chapter 3: Water Pollution Regulations, in order to apply rotenone during the Fall of 1975 to Round Lake subject to the following conditions:

- (a) that Petitioner place public notices in area newspapers which state the date on which rotenone will
  be applied to Round Lake, said notices to inform
  the public that Round Lake will be closed to all
  primary and secondary uses, including but not limited
  to swimming, boating, fishing, and camping until
  further notification:
- (b) that the area adjacent to Round Lake be posted with signs to indicate that the Lake is closed for public use;
- (c) that application of the rotenone, and if necessary potassium permanganate, be done by a Department of Conservation fishery biologist;
- (d) that the dead fish be disposed of at a sanitary landfill or in such other manner as to prevent pollution or a public health hazard;
- (e) that Petitioner provide the Agency, prior to administration of the fish toxicant, with a written statement from the Round Lake Park District, that it consents to the treating of Round Lake with rotenone.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the  $\frac{4}{3}$  day of September, 1975 by a vote of  $\frac{4}{3}$ .

Christan L. Moffett Cherk
