OPINION AND ORDER OF THE BOARD (by C.A. Manning):

This matter comes before the Board upon a two-count complaint filed February 21, 1997 by the Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Mark Meade Excavators, Inc. (Mark Meade), an Illinois corporation located at 1099 Corporate Circle, Grayslake, Lake County, Illinois. The complaint alleges that Mark Meade, while performing asbestos demolition at 708 West Park Avenue, Libertyville, Lake County, Illinois, violated Section 9.1(d)(1) of the Environmental Protection Act (Act) (415 ILCS 5/9(d)(1)) by failing to provide proper notification prior to demolition.

Pursuant to 415 ILCS 5/31(a)(2) (1994), the parties filed a joint motion requesting relief from the Act's hearing requirement on February 21, 1997. The Board published a notice of the waiver on February 27, 1997; no objection to the granting of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a stipulation and settlement agreement on February 21, 1997. The stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Mark Meade admits the alleged violation and agrees to pay a civil penalty of \$1,000.

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, State or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's finding of fact and conclusions of law in this matter.
