CHICAGO HOUSING AUTHORITY,)	
a Municipal Corporation,)	
)	
Respondent.)	

ORDER OF THE BOARD (by Mr. Seaman):

The Opinion and Order in the captioned cause, dated September 19, 1974, is hereby modified to extend the variance granted for the Robert Taylor Homes from October 26, 1974 to February 26, 1975. The Chicago Housing Authority states that although compactor facilities at Robert Taylor Homes are being constructed, the contractor has been hindered in this project by acts of vandalism, tenant opposition, material shortages, and the failure of the concrete subcontractor to complete his portion of the work due to vandalism and tenant difficulties.

The Chicago Housing Authority further states that through an oversight, a contract was not let for the refuse disposal system at 5040 N. Kenmore and thus work is not underway on that project at this time nor can a completion date be anticipated. To meet the goal of eliminating air pollution by incineration of solid waste at this site, the Chicago Housing Authority states that it will immediately cease the burning of refuse at 5040 N. Kenmore and have refuse hauled away by private scavenger.

The Chicago Housing Authority is hereby ordered to cease incineration of solid waste at 5040 N. Kenmore.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, does hereby certify that the above Order was adopted on this 7th day of November, 1974 by a vote of 4-0.
