ILLINOIS POLLUTION CONTRL BOARD November 7, 197 +

ENVIRONMENTAL PROTECTION AGENCY, Complainant, vs. PCB 74-214 HILLSIDE STONE CORPORATION, an Illinois corporation, Respondent.

ORDER OF THE BOARD (by Mr. Seaman):

On September 5, 1974, this Board denied Complainant's Motion for an evening hearing because it failed to state with sufficient detail the burden that a daytime hearing would place upon the unspecified number of unnamed citizen witnesses.

On October 30, 1974, another Motion was filed by Complainant for an evening or Saturday hearing. Attached to this Motion is an affidavit listing the names and addresses of ten citizen witnesses who have indicated their desire to testify. We feel that this Motion is now sufficient and pursuant to the policy enunciated in <u>The Midway</u> <u>Organization v. Francis P. Kane, et al.</u>, PCB 73-198. We will grant the Complainant's Motion and will leave the scheduling of the hearing to the Hearing Officer assigned to this case.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, does hereby certify that the above Order was adopted on this 14^{-1} day of <u>november</u>, 1974 by a vote of <u>4-c</u>.
