ORDER OF THE BOARD (by Mr. Henss):

It is the Order of the Pollution Control Board that National By-Products, Inc. be granted variance from Rule 802(b) of the Air Pollution Control Regulations for its Decatur rendering plant from August 15, 1974 until June 15, 1975. Variance from Section 9(a) of the Environmental Protection Act is hereby denied. This variance is subject to the following conditions:

1. National By-Products shall conduct its operations so as not to process in excess of 1,350,000 lbs. of raw material per week.
2. National By-Products shall insure that a complete cover is maintained over lagoons A and B.
3. All possible efforts shall be made to process all fallen animals within 4 hours after receipt.
4. All good housekeeping practices shall continue for the duration of the variance.
5. All delivery trucks shall be routed over the alternate road through the landfill.
6. National By-Products shall post a \$10,000 bond for the duration of the variance in a form acceptable to the Environmental Protection Agency. Upon order of this Board the bond shall be forfeited in the event that National fails to comply with any of the conditions herein. The bond shall be mailed to: Fiscal Services Division, Illinois EPA, 2200 Churchill Road, Springfield, Illinois 62706.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 1st day of August, 1974 by a vote of 4 to 0.
