ORDER OF THE BOARD (by Mr. Dumelle):

Motions for Oral Argument were received November 13 from the North Shore Sanitary District and from Ms. Gail Winston regarding the Hearing Officer's ruling excluding a "health survey" in the hearing of November 1, 1974.

The Board rules that the Hearing Officer was correct in his initial ruling because of the element of surprise. Since we encourage citizen comment and the material may be relevant to the issue we order that further hearing be held upon it after all parties have had an opportunity to become prepared.

Motions for Oral Argument are denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, do hereby certify that the above Order was adopted on this day of of the Illinois Pollution Control Board, do hereby certify that the above Order was adopted on this
