ORDER OF THE BOARD (by Mr. Dumelle):

1. Variance is granted to permit connection to the Winfield sewer system.

2. Within 60 days of the date of this order, the petitioner shall provide a study of the condition of the receiving stream (as regards water quality) below the Winfield Sewage Treatment Plant and the environmental effects (especially those resulting from plant bypassing) expected from the grant of this variance.

3. The Agency shall comment upon the petitioner's response to the Board within 10 days after receipt.

4. The Board shall retain jurisdiction in this case to consider the possible requirement for holding tanks. The report and comments shall also be directed toward consideration as to the necessity and feasibility for holding tanks.

5. An opinion shall be issued shortly.

IT IS SO ORDERED.

Dr. Odell dissents.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, do hereby certify that the above Order was adopted on this 22ND day of November, 1974 by a vote of 3-1.
