## ILLINOIS POLLUTION CONTROL BOARD November 22, 1974

SANDWICH COMMUNITY UNIT SCHOOLS DIST. NO. 430

٧S.

74-428

ENVIRONMENTAL PROTECTION AGENCY.

ORDER OF THE BOARD (by Mr. Dumelle):

Petition filed November 18, 1974 is inadequate in that a discrepancy seems to exist as to the reason for the permit denial. On page 1 of the petition the statement is made that the City of Sandwich transport system is restricted. On page 3 "an overload" is discussed in connection with the sewage treatment plant.

Petitioner is requested to clarify whether both of the above reasons exist for the denial or whether only a single reason exists and to identify and explain that reason if the latter is the case.

Petitioner is also requested to quantify the present effluent characteristics of the sewage treatment plant and the expected environmental impact on the receiving stream if the variance is granted.

Petitioner shall provide the requested information to the Board and Agency within 45 days from the date of this order. Failure to timely file the needed information shall make the petition liable to dismissal for inadequacy. The 90-day decision period set by statute shall run from the date of filing the amended petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, do hereby certify that the above Order was adopted on this  $22^{10}$  day of 1974 by a vote of 4-2
