## ILLINOIS POLLUTION CONTROL BOARD

December 5, 1974

SHERWIN-WILLIAMS COMPANY,

Petitioner,

v.

PCB 74-408

ENVIRONMENTAL PROTECTION AGENCY,)

Respondent.

ORDER OF THE BOARD (by Dr. Odell)

On October 30, 1974, the Sherwin-Williams Company, located in a farming area at 1717 Gifford Road in Elgin, Illinois, filed a Petition for Variance with the Illinois Pollution Control Board (Board). Petitioner seeks a variance from Rule 205(f) of the Air Pollution Regulations (Chapter 2) from November 1, 1974, to May 30, 1975. Petitioner manufactures and coats metal containers of various sizes.

On November 22, 1974, Petitioner filed with the Board a Motion for Disposition Without a Hearing. The record in Petitioner's previous Variance, Sherwin-Williams Company v. Environmental Protection Agency, PCB 74-212, is incorporated into the record of the instant case; both cases involve the same facilities and many of the facts are similar. In view of the available information and the absence of objections by citizens or the Environmental Protection Agency, the Board believes that a hearing is not necessary to resolve the issues in this case.

Petitioner's Motion for Disposition Without a Hearing is hereby granted.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the day of day of to 0.
