ILLINOIS POLLUTION CONTROL BOARD January 16, 1975

REPUBLIC STEEL CORPORATION,
Petitioner,

ν.

PCB 73-551

ENVIRONMENTAL PROTECTION AGENCY, Respondent,

ORDER OF THE BOARD (by Mr. Dumelle):

The Motion to Modify filed January 9, 1975 asks for extensions of time beyond what was granted in the Board's Order of December 5, 1974. Since variances are limited in duration by statute to one year this Motion in effect constitutes a new variance petition since the dates requested go beyond this period.

We dismiss the Motion without prejudice. The Petitioner is free to file a new variance petition and can then ask for variance (or extension) of aspects of the Board's order of December 5, 1974 and make its supporting allegations at that time.

IT IS SO ORDERED.

Mr. Henss dissented.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the day of January, 1975 by a vote of 3-1.
