OPINION AND ORDER OF THE BOARD (by Mr. Dumelle):

Variance was filed April 23, 1974 with the Board. An Order for additional information by the Board was entered April 25, 1974. No information was received by the Board before the June 6, 1974 deadline set forth.

On June 18, 1974 the Agency filed a Motion to Dismiss. On June 25, 1974 additional but still inadequate information (dated May 24, 1974) was received by the Board. On July 3, 1974 the Agency filed a second Motion to Dismiss. On July 11, 1974 the Board received a letter from the School District asking a stay of action until July 15, 1974.

The Board has waited well beyond July 15, 1974 and no additional information seems to be forthcoming.

The Motion to Dismiss is granted. The instant case is dismissed without prejudice because of inadequacy.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Opinion and Order were adopted on the 25th day of July, 1974 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
