Petitioner,)	
)	PCB 74-28
vs.)	
)	
ENVIRONMENTAL PROTECTION AGENCY,)	
)	
Respondent.)	

ORDER OF THE BOARD (by Mr. Seaman):

On July 1, 1974, the parties in the above-captioned cause filed a Joint Motion To Amend paragraph 2.a. of the Board's Order of May 29, 1974. The parties move that said Order be amended as follows:

Petitioner shall post a Performance Bond in the amount of \$50,000 to assure:

- (i) the installation of pollution control equipment; or
- (ii) a change in its explosives waste disposal process; which will achieve compliance with the Illinois Environmental Protection Act and the Rules and Regulations of the Board. Said Performance Bond shall be posted with the Agency in a form acceptable to the Agency at the following address:

Illinois Environmental Protection Agency
Fiscal Service Section
2200 Churchill Road
Springfield, Illinois 62706

In support thereof, Olin states that it will promptly submit to the Board a compliance program involving a change in its explosive waste disposal process which will segregate most plastics, papers and metals from the wastes before burning; thus, according to tests which Olin has made, the need for pollution control equipment for the incinerators will be eliminated.

The Joint Motion To Amend is granted and paragraph 2.a. of the Board's Order of May 29, 1974 is modified as set out above.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted on this 11th day of July, 1974 by a vote of 5-0.
