ORDER OF THE BOARD (by Mr. Dumelle):

Petition filed April 26, 1974 is inadequate in that the location of the proposed burning site is not given, either in relation to the municipal borders or to the nearest residences. Furthermore, the alternatives of renting or purchasing an air curtain destructor are not explored or presented nor is the cost of landfilling or chipping the landscape wastes. Lastly, no information is given as to the City of Plano's inability to raise the funds necessary to use one of these alternatives.

Petitioner shall file the needed information on the instant case within 35 days from the date of this Order. Failure to timely file the needed information shall make the petition liable to dismissal for inadequacy. The 90-day decision period set by statute shall run from the date of filing the additional information.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 2nd day of May, 1974 by a vote of 4-0.
