Respondent.)	

ORDER OF THE BOARD (by T.E. Johnson):

On February 6, 2003, the parties placed into the United States mail a joint request to extend the 35-day period within which Dalee Oil Company (Dalee Oil) may appeal a January 3, 2003 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.206(c), 105.208(a), (c). The Board received the joint request on February 10, 2003. Because the joint request's postmark date was within the 35-day appeal period, the joint request was timely filed. *See* 35 Ill. Adm. Code 101.300(b)(2). The Agency determined that Dalee Oil was entitled to a reimbursement from the Underground Storage Tank Fund of \$12,193.03 although Dalee Oil had requested a reimbursement of \$14,788.85. This matter relates to Dalee Oil's leaking underground storage site at Route 177 West in Okawville, Washington County. The Board extends the appeal period until May 8, 2003, as the parties request. *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.208(a). If Dalee Oil fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 20, 2003, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
