ORDER OF DISMISSAL (by Mr. Henss):

The City of Geneseo filed its Petition for Variance "for use of our refuse disposal site for as long as it lasts or as necessary". Petitioner also requested aid in preparing a proper variance petition. On March 7, 1974 we determined that the petition is inadequate and ordered Petitioner to file an amended petition in compliance with our Procedural Rule 401. Our Order specified the additional information needed and also attached a copy of Procedural Rule 401. The Order specified that if the amended petition was not filed by April 8, 1974 the petition would be subject to dismissal without prejudice.

We have not received the additional information. The original petition is still inadequate and we now have no alternative but to dismiss the case without prejudice.

It is ordered that the Petition for Variance be dismissed without prejudice.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 24th day of May, 1974 by a vote of 5 to 0.
