ORDER OF THE BOARD (by Mr. Dumelle):

On January 3, 1974 the Board entered an Order for more information to be filed by February 3, 1974 on the instant case. On February 8, 1974 the petitioner replied requesting "an extension in regard to the filing of this additional information until such time as a decision on the permit application is received".

We feel the better course is to dismiss the petition as inadequate without prejudice. If a new proceeding is necessary it can be filed with adequate information to support it.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 14th day of February, 1974 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
