

ILLINOIS POLLUTION CONTROL BOARD
March 28, 1974

CITY OF NASHVILLE

v.

ENVIRONMENTAL PROTECTION AGENCY

PCB 74-114

ORDER OF THE BOARD (by Mr. Dumelle):

Petition filed March 27, 1974 is inadequate in that it gives only a conclusory statement attributed to the consulting engineers as to the \$3,000 to \$4,000 cost of obtaining a permit.

Petitioner is ordered to submit a verified statement from the engineer detailing the unit costs utilized to arrive at this estimate. A general description of the site as to soil and sub-surface characteristics and the location of aquifers or water-courses is also needed by the Board in order to weigh possible environmental effects.

The information listed above shall be submitted within 35 days from the date of this order. Failure to timely file the information shall make the petition liable to dismissal for inadequacy.

The 90-day decision period set by statute shall run from the date of filing of the additional information requested.

IT IS SO ORDERED.

I, Christian L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 28th day of March, 1974 by a vote of 5-0.
