DISSENTING OPINION (by J. Theodore Meyer):

I dissent from the majority opinion because, although the Board regularly accepts stipulation and settlement agreements in enforcement cases, wherein the respondent neither admits nor denies the alleged violations but agrees to pay a penalty, the Board does not recognize such settlement agreements in administrative citations. I believe that the Board should be consistent in its approach to settlements and accept or reject them in both types of cases.

J. Theodore Meyer

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above dissenting opinion was filed on the 11th day of June, 1997.
