ILLINOIS POLLUTION CONTROL BOARD January 17, 1974

TROJAN-U.S. POWDER

ORDER OF THE BOARD (by Mr. Dumelle):

Pursuant to a December 27, 1973 letter from the Assistant Attorney General the instant cases will be renumbered as a new proceeding and a hearing scheduled on the variance request to burn overage dynamite, all in conformity to the Board's order of October 14, 1971.

The Environmental Protection Agency is requested to issue its recommendation as soon as possible.

IT IS SO ORDERED.

Christan L. Moffett, Clerk Illinois Pollution Control Board
