ORDER OF THE BOARD (by Mr. Dumelle):

The Motion for Non-Disclosure and for a Protective Order filed October 11, 1973 by Allied Chemical Corporation is denied without prejudice. Non-disclosure cannot be granted under the present state of the petition since the material to be protected is intertwined with the petition. To protect the material would be to deny the public access to the petition.

Petitioner is ordered to redraft the petition in such fashion that it can be made public and to place all material on which non-disclosure is requested into an exhibit which can be protected if the Board so rules. When the redrafted petition and new exhibit are filed, the petitioner shall also execute a waiver of the 90-day provision for the period of time elapsing from the date of filing of the original petition to the date of filing of the amended petition.

Failure to execute the time waiver shall render the petition liable to dismissal as not being adequate for public inspection and perusal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 25<sup>th</sup> day of October, 1973 by a vote of 5-0.
