ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.):

Petition for variance was filed by the U. S. Army Installation (Granite City) presumably to allow particulate emissions in excess of regulatory limits, from petitioner's coal-fired boilers, pending installation of oil burning equipment for a period ending April 30, 1973. Hearing will be set on the petition and recommendation of the Agency.

Within 15 days from the date hereof, petitioner shall file a detailed specification indicating precisely what regulation the compliance with which Respondent seeks to be excused, what the extent of its emissions are and what harm, if any, will result to the community as a result of the emissions from Respondent's facilities during the period of the variance proposed.

IT IS SO ORDERED.

I, Christan Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was entered on the 27<sup>th</sup> day of February, 1973, by a vote of 3 to 0.
