ORDER OF THE BOARD (by Mr. Seaman):

Complainant, The Midway Organization, has filed a Motion to post-pone for three weeks the date of the hearing in the above-entitled case, to re-assign the place of the hearing from the County Building to a location within the community, and to set a time for the hearing in the evening hours.

It is the policy of this Board to encourage maximum citizen participation and expression at all public hearings in order that differing views may be represented and considered. In the instant case, it is probable that the majority of participants and witnesses live in the vicinity of Midway Airport; therefore, a site in that area shall be chosen.

Further, it appears that an evening or Saturday hearing would, under the circumstances of this particular case, be more convenient to the majority of interested persons; therefore, an evening or Saturday hearing shall be scheduled. We grant the petition as requested.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted by the Board on the 21st day of June, 1973, by a vote of 4 to 0.
