This case comes before us pursuant to transcript of hearing held on October 9, 1972, stipulation of fact, and briefs filed, or to be filed by both parties. Oral argument is requested by Respondent. The request is denied. Matters to be brought before the Board should have been presented at the time of the hearing and included in the transcript or in the documents already filed. Arguments before the Board are not encouraged and would not be appropriate in the present case.

IT IS SO ORDERED.
