 ENVIRONMENTAL PROTECTION AGENCY)

ORDER

Petition for variance was filed by Minnesota Grain Pearling Company requesting a variance with respect to the permit regulations contained in the newly-enacted air pollution regulations. Hearing has been previously authorized on this petition, and we are advised that a hearing date has been set for December 28, 1972. The Agency has filed a motion to dismiss the petition for variance alleging failure to conform with our Procedural Rule 401.

While the petition is somewhat meager, we believe that the deficiency can be corrected at the time of the hearing without any undue disadvantage to the Agency, and accordingly, the motion to dismiss is denied.

IT IS SO ORDERED.

I, Christan Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted on the 12th day of December, 1972, by a vote of 4 to 0.
