SUPPLEMENTAL OPINION AND ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.):

By Order of the Hearing Officer, briefs were to be submitted to the Board by December 12, 1972 in the above-captioned matter. On that date, no briefs having been received, order and opinion were approved and issued by the Board finding Respondent to have violated Section 9(b) of the Act and Rules 3-2.110 and 3-2.111 of the Rules and Regulations Governing the Control of Air Pollution. A cease and desist order was entered and a fine of \$4,000 imposed.

On December 13, 1972, Respondent's brief was received by the Board. While the brief was not filed within the time specified, in fairness to the Respondent we have examined the brief with care to determine whether anything is contained therein which would cause us to render a decision different from that issued on December 12, 1972. A thorough review of all arguments and contentions made in the brief fails to persuade us that our original order should be modified in any respect, and, accordingly, the opinion and order are reaffirmed as issued.

I, Christan Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Supplemental Opinion and Order was adopted on the 16 day of January, 1973, by a vote of 3 to 0.
