ESTELLA LEWIS )  
 )  
 v. ) PCB 72-208  
 )  
 ENVIRONMENTAL PROTECTION AGENCY )

OPINION OF THE BOARD (by Mr. Kissel):

Estella Lewis has applied for a variance from the sewer connection ban in the North Shore Sanitary District. She asks for permission to connect a new single family home to the District's sewer system.

The request for variance does not have the information needed for the Board to make a decision and we therefore request the parties to submit the following:

1. Mrs. Lewis or the Agency should advise the Board which of the District's plants would receive the effluent from the Lewis home;
2. the Agency should advise the Board whether the sewer line which would receive the effluent is overloaded; and
3. the Agency should file its recommendation with the Board.

The parties should respond to the Board's request within twenty (20) days of date of receipt of this order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Opinion and Order this 23<sup>RD</sup> day of May, 1972, by a vote of 4-0.
