ORDER

For the reasons given in our opinion of October 28, 1971, and in the absence of objection by either party, the City of Flora is hereby granted permission to conduct maintenance operations at its sewage treatment plant for thirty days in accordance with its program described in its petition for variance, provided that:

1. No bypassing of untreated or primary-treated sewage will occur as a result; and
2. Plans and specifications for advanced treatment, chlorination, and storm water treatment shall be submitted to the Agency within three months after receipt of this order.

Nothing in this order shall excuse the City of Flora for responsibility for any violations of the implementation plan of Rules and Regulations SWB-14 that may have occurred with respect to the subjects in paragraph 2 of this order.

I, Christan Moffett, Acting Clerk of the Pollution Control Board, certify that the Board adopted the above Order this 1 day of November, 1971.
