## ILLINOIS POLLUTION CONTROL BOARD January 20, 1972

JOSEPH ACHILLI BUILDERS	) )

ENVIRONMENTAL PROTECTION AGENCY	) )	

Opinion and Order of the Board (by Mr. Currie):

This petition sought a variance to permit connection of two homes to sewers tributary to a treatment plant of the Elgin Sanitary District, which the Agency had forbidden because of the state of the treatment plant. The parties have both moved to dismiss on the ground that the Agency has lifted its connection ban in light of improvements to the plant. Since the Agency has expressed its intention to issue the connection permit the case before us is moot and is hereby dismissed.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Opinion and Order this 20th day of January, 1972 by vote of 4-0.
