OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a two-count complaint filed June 7, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Health O Meter Products, Inc., a Delaware Corporation located in 7400 West 100th Place, in the City of Bridgeview, Cook County, Illinois. The complaint alleges that Health O Meter Products, Inc. has violated Sections 9(a) and 9(b) of the Environmental Protection Act (Act), 415 ILCS 5/9(a), 5/9(b), 35 Ill. Adm. Code Section 215.301 and standard operating permit condition No. 2 of its operating permit number 74060111 for operating and constructing emission sources without the proper permits.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint motion requesting relief from the Act's hearing requirement on June 7, 1994. The Board published a notice of the waiver on June 10, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on June 7, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Health O Meter Products, Inc. admits the alleged violations and agrees to pay a civil penalty of twelve thousand dollars (\$12,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
