- c) If the State agency is served with notice of the filing of a petition for review of its determination within 35 days after service of the notice of denial on the owner and any requester, the State agency must notify the requester of the action and must continue to protect the article, or the page or portion thereof, under Subpart C until the State agency receives official notification of a final order by a reviewing body with proper jurisdiction that does not reverse the State agency determination and that is not subject to further appeal.
- d) If the State agency does not receive the notification of a petition for review within 35 days after service of the notice of denial on the owner and any requester or does receive official notification of a final, non-appealable action that does not reverse the State agency determination, the article will not be protected under Subpart C and the State agency must so notify the owner and any requester by certified mail, return receipt requested.
