**MOTION FOR EXPEDITED TRANSCRIPT**

CROMWELL-PHOENIX, Inc. ("Cromwell"), by and through its attorneys, and pursuant to 35 Ill. Adm. Code § 101.500, respectfully submits this Motion for Expedited Transcript ("Motion"), and in support thereof states as follows:

1. On May 29, 2003, Cromwell filed a petition seeking an adjusted standard (hereinafter, the "Petition") from the volatile organic material ("VOM") paper-coating requirements of 35 Ill. Adm. Code § 218.204(c). The adjusted standard request relates to Cromwell's facility in Alsip, Illinois.
2. On June 19, 2003, the Board entered an Order finding, among other things, that the Petition met the content requirements of 35 Ill. Adm. Code § 104.406, and accepting the matter for hearing. The Order required the hearing to be scheduled and completed in a timely manner.
3. On July 3, 2003, the Hearing Officer in this matter, Bradley P. Halloran, issued a Notice of Hearing setting the hearing on the Petition for August 7, 2003. The hearing is scheduled to occur at the James R. Thompson Center in Chicago, Illinois.
4. Also on July 3, 2003, Cromwell filed a Motion for Expedited Review. The Motion for Expedited Review explained the business reasons behind Cromwell's need to obtain

an air operating permit for its Alsip facility by December 31, 2003. The issuance of the adjusted standard by the Board is necessary before an air operating permit can be issued by the IEPA.

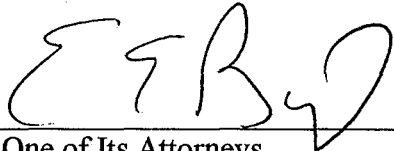

5. For the same reasons outlined in the Motion for Expedited Review, Cromwell now also seeks an expedited transcript. The expedited transcript will allow the record to be completed and presented to the Board for action at the earliest possible date.

6. Cromwell will agree to pay the costs for an expedited transcript if the Board or its Hearing Officer deems such payment to be necessary and appropriate.

WHEREFORE, Cromwell-Phoenix, Inc. respectfully requests that the Board or its Hearing Officer grant this Motion for Expedited Transcript.

Respectfully submitted,

CROMWELL PHOENIX, INC.
