**PETITION FOR REVIEW OF FINAL AGENCY
LEAKING UNDERGROUND STORAGE TANK DECISION**

NOW COMES the Petitioner, Prime Time Citgo, Inc. and Alphonsus Olieh ("Prime Time"), by their attorney, Shell J. Bleiweiss, and, hereby requests that the Illinois Pollution Control Board ("Board") review the final decisions of the Illinois Environmental Protection Agency ("Agency") in the above cause, and in support thereof, Prime Time respectfully states as follows:

1. On December 30, 2002, Prime Time submitted a budget and request for payment application to the Agency.
2. On April 4, 2003, the Agency issued a final decision to Prime Time (received on or about April 7, 2003) denying the request for payment application, a copy of which is attached hereto as Exhibit A.

3. On April 25, 2003, Prime Time made a written request to the Agency for an extension of time by which to file a petition for review, a copy of which is attached as Exhibit B.

4. On May 12, 2003, the Agency joined in Prime Time's request that the board extend the thirty-five day period for filing a petition, a copy of which is attached hereto as Exhibit C.

5. On June 5, 2003, the Board opened docket number PCB-03-217, and allowed Prime Time until August 11, 2003 to file this appeal of the Agency's denial of Prime Time's payment request.

6. The grounds for the Petition herein are as follows:

7. The Agency's reason for denying Prime Time's request for payment is that the alternate housing costs which are the subject of the request are not corrective action costs, or, in the alternative, are costs in excess of those necessary to meet the minimum requirements of Title XVI of the Act.

8. Prime Time disagrees with the Agency decision, and believes that under the circumstances of this case these costs are corrective action costs, and do not exceed the minimum requirements of Title XVI.

9. In this case, the Agency sought and received a court order that Prime Time provide alternate housing (the costs at issue in this appeal) to the family next door, whose house had been rendered unsafe as a direct result of the release from Prime Time's neighboring service station.

WHEREFORE, Petitioner, for the reasons stated above, requests that the Board reverse the decisions of the Agency and rule in favor of Petitioner's request for approval of its payment request as being necessary

corrective action costs, and eligible for payment from the UST Fund, and that Petitioner recover its attorney's fees and costs incurred herein pursuant to 415 ILCS 5/57.8(l) and 35 Ill. Adm. Code 732.606(g).

Respectfully submitted,

By:

Re: Prime Time Citgo – LUST Incident No. 20010859

Dear John:

Prime Time Citgo wishes to extend its time to appeal from the IEPA's April 4, 2003 denial (received on or about April 7, 2003) by 90 days. A copy of that denial letter is enclosed.

During the extended appeal timeframe we request a meeting or conference call to discuss possible reconsideration or compromise of the denial. We also request that IEPA consider the indemnification procedure of Section 57.8 of the Environmental Protection Act, in addition to LUST reimbursement.

Very truly yours,

Shell J. Bleiweiss

**REQUEST FOR NINETY DAY EXTENSION
OF APPEAL PERIOD**

NOW COMES the Respondent, the Illinois Environmental Protection Agency ("Illinois EPA"), by one of its attorneys, John J. Kim, Assistant Counsel and Special Assistant Attorney General, and, pursuant to Section 40(a)(1) of the Illinois Environmental Protection Act (415 ILCS 5/40(a)(1)) and 35 Ill. Adm. Code 105.208, hereby requests that the Illinois Pollution Control Board ("Board") grant an extension of the thirty-five (35) day period for petitioning for a hearing to August 11, 2003, or any other date not more than a total of one hundred twenty-five (125) days from April 7, 2003, the date of service of the Illinois EPA's final decision. The 125th day from the date of service is August 10, 2003, a Sunday, and the next business day is August 11, 2003. In support thereof, the Illinois EPA respectfully states as follows:

1. On April 4, 2003, the Illinois EPA issued a final decision to the Petitioner. (Exhibit A)
2. On April 25, 2003, the Petitioner made a written request to the Illinois EPA for an extension of time by which to file a petition for review, asking the Illinois EPA join in requesting that the Board extend the thirty-five day period for filing a petition to ninety days. The Petitioner represented that the final decision was received on or about April 7, 2003. (Exhibit B)

3. The additional time requested by the parties may eliminate the need for a hearing in this matter or, in the alternative, allow the parties to identify issues and limit the scope of any hearing that may be necessary to resolve this matter.

WHEREFORE, for the reasons stated above, the parties request that the Board, in the interest of administrative and judicial economy, grant this request for a ninety-day extension of the thirty-five day period for petitioning for a hearing.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,
Respondent
