BEFORE THE ILLINOIS POLLUTION CONTROL BOARD

TED HARRISON OIL COMPANY,

Petitioner,

v.

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,

Respondent.

STATE OF ILLINOIS
Pollution Control Board

PCB 99-127

**MOTION FOR AUTHORIZATION OF PAYMENT OF ATTORNEYS' FEES AS COSTS
OF CORRECTIVE ACTION**

NOW COMES Petitioner, TED HARRISON OIL COMPANY, through its undersigned attorney, and pursuant to 415 ILCS 5/57.8(1), submits its Motion for Authorization of Payment of Attorneys' Fees as Costs of Corrective Action. In support of this Motion, Petitioner states as follows:

1. By its Opinion and Order dated July 24, 2003, which was received by Petitioner on August 4, 2003, this Board reversed the Illinois Environmental Protection Agency's denial of \$116,297.82 in reimbursement costs to Ted Harrison Oil Company associated with remediation of leaking underground storage tanks at its facility.
2. The \$116, 297.82 constituted the full amount that Petitioner sought in the reimbursement appeal. Accordingly, Petitioner has prevailed in its action before this Board seeking payment under Title XVI of the Illinois Environmental Protection Act.
3. Section 57.8(1) of the Environmental Protection Act, 415 ILCS 5/57.8(1), states that "[c]orrective action does not include legal defense costs. Legal defense costs include legal costs for seeking payment under this Title unless the owner or operator prevails before the Board in which case the Board may authorize payment of legal fees."
4. Petitioner, having prevailed before this Board, now requests that this Board authorize the payment of legal fees incurred by Petitioner in this matter from the leaking underground storage tank fund. This motion is being made within 35 days following this Board's order granting Petitioner relief herein, and for jurisdictional purposes Petitioner requests that this Board treat this motion as one for reconsideration or modification, as expressed on page 12 of this Board's July 24,

2003 order. This motion is being made at this time because until this Board entered its July 24 order Petitioner had not yet prevailed before the Board, and so was not authorized to seek these amounts.

5. Attached to and incorporated herein is the Affidavit of Stephen F. Hedinger Verifying Attorneys' Fees, documenting under oath the attorneys' fees being sought in this matter, which total \$19,421.75.

WHEREFORE, Petitioner, TED HARRISON OIL COMPANY, requests that this Board authorize the payment from the leaking underground storage tank fund the amount of \$19,421.75 in attorneys' fees to Petitioner, TED HARRISON OIL COMPANY, pursuant to 415 ILCS 5/57.8(1).

Respectfully submitted,

Ted Harrison Oil Company,
Petitioner,

By its attorney,

COUNTY OF SANGAMON)

AFFIDAVIT OF STEPHEN F. HEDINGER VERIFYING ATTORNEYS' FEES

Affiant, Stephen F. Hedinger, being first duly sworn, states as follows:

1. The statements made herein are based upon my personal knowledge, and I am competent to testify hereto.
2. I am an attorney duly licensed to practice law in the State of Illinois; and I am the attorney of record for Petitioner Ted Harrison Oil Company in the case entitled, Ted Harrison Oil Company v. Illinois Environmental Protection Agency, PCB 99-127.
3. This affidavit is being filed with the Board in support of Petitioner's Motion for Authorization of Payment of Attorneys' Fees as Costs of Corrective Action.
4. Petitioner's former attorney, Robert V. Ogren, represented Petitioner in this case beginning in or around May 1999. He withdrew as counsel for Petitioner in May 2000. Mr. Ogren billed a total amount of \$2,768.75 representing Petitioner with respect to this leaking underground storage tank reimbursement fund matter.
5. Attorney Becky S. McCray entered her appearance on behalf of Petitioner on May 30, 2000, and represented Petitioner in this case until she withdrew on August 18, 2001. Ms. McCray billed a total of \$1,840.00 during the time she represented Petitioner with respect to this leaking underground storage tank action.
6. Affiant, Attorney Stephen F. Hedinger, started work on this case in May 2001, and entered his appearance on behalf of Petitioner in August 2001, and has represented Petitioner since that time. His total time for this case, representing Petitioner in this Fund reimbursement matter, including paralegal time, is \$14,813.00.

7. Attached as Exhibit A is an accurate summary of the legal work done, and legal fees incurred, with respect to this matter. The summary has been taken from actual invoices of the attorneys involved, and thus reflects actual work performed and fees incurred. All time relates solely to this LUST fund reimbursement case (PCB 99-127). The summary reveals the date the work was performed (for Mr. Ogren, the summary reflects the invoice dates), the description of work performed, the amount of time spent, and the total fees incurred. The "time keeper" reflects the attorney (ROV means Robert Ogren, BSM means Becky McCray, and SFH means Stephen F. Hedinger); the initials ERA are those of Affiant's paralegal, Elaine Agnew, all of whose work was conducted under the direct supervision and authority of the Affiant. The total number of hours incurred include time spent drafting pleadings, reviewing the record, drafting a motion for summary judgment and related documents, discussing settlement possibilities with Respondent, preparing for and participating in the hearing, drafting the closing brief and reply brief, reviewing Respondent's briefs and pleadings, reviewing hearing officer and board orders, and participating in all other litigation activities, including status conferences. The total number of attorney hours expended was 113.55, and the total number of paralegal hours expended was 55.3, which were reasonable in light of the amount of money at stake (\$119,297.82). The hourly rate charged by attorneys ranged from \$95 to \$165, and the hourly rate charged by the paralegal ranged from \$50 to \$65. These rates are commensurate with the prevailing rate for general legal services in Springfield, Illinois for the years represented, and are well below market rates for attorneys concentrating in environmental matters in Illinois, which generally are about double the amount actually charged in this case. Accordingly the total amount of legal fees incurred and sought herein, \$19,421.75, is reasonable, legitimate and appropriate.

Further Affiant sayeth not.

Stephen F. Hedinger

Subscribed and sworn to before me, a Notary Public in and for said County and State, this
29th day of August, 2003.

Notary Public
