ORDER OF THE BOARD (by T.E. Johnson):

On October 10, 2003, the parties timely filed a joint notice to extend the 35-day period within which the Illinois State Toll Highway Authority may appeal a September 3, 2003 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.402, 105.406. Because the postmark date of the joint request is within the time for filing, the joint request was timely filed. 35 Ill. Adm. Code 101.300(b)(2), 105.404. At issue is the Agency's approval of the high priority corrective action plan, with modifications, for the Illinois State Toll Highway Authority's leaking underground petroleum storage tank facility located at Tri-State Tollway, northbound mile post 1.1, South Holland, Cook County. The Board extends the appeal period until January 6, 2004, as the parties request. *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.406. If the Illinois State Toll Highway Authority fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 16, 2003, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
