ORDER OF THE BOARD (by C.A. Manning):

On December 5, 1997, the complainant and respondent Old World Industries, Inc. (Old World) filed an agreed motion to extend the stay of proceedings in this matter. The parties request that the Board stay all proceedings in this matter for an additional 90 days to allow them to gather and exchange information regarding Old World's past disposal of waste at the site in question. The parties believe that the exchange of information will aid in the settlement of this matter. The Board hereby grants the parties' motion and stays the proceedings in this matter up through and including March 18, 1998. The Board notes, however, that it has previously granted the parties several stays in this matter and therefore encourages the parties to settle this matter as expeditiously as possible or proceed to hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of December 1997, by a vote of 7-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
