ADJUSTED STANDARD FROM 35 ILL.)
ADM. CODE 215, SUBPART F)

ORDER OF THE BOARD (by K.M. Hennessey):

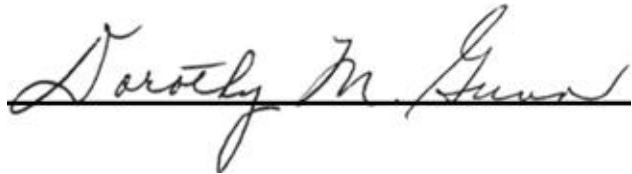

In this adjusted standard matter, the Board's December 4, 1997, interim opinion and order required the Louis Berkman Company, d/b/a the Swenson Spreader Company (Swenson), to file a compliance plan within 30 days from the date of that order. The order also provided that the Illinois Environmental Protection Agency (Agency) may file a response within 21 days of Swenson's filing of its compliance plan.

On December 17, 1997, Swenson filed a "Motion for Extension to File" (motion), in which it requests an extension until February 3, 1998, to file its compliance plan. In its motion, Swenson states that many of its personnel will not be available for consultation over the coming weeks because of the holidays. Swenson also notes that counsel for the Agency does not oppose this request.

The motion is granted. Within 21 days after Swenson files its compliance plan, the Agency may file a response.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of December 1997, by a vote of 7-0.

Dorothy M. Gunn, Clerk
